Edmodo – what it looks like

The screenshot displays the Edmodo quiz interface. At the top, there is a navigation bar with icons for home, a pulse line, a clock, and a book, alongside a search bar containing the text "Search posts, groups, users, apps and more...". To the right of the search bar are notification and profile icons.

The main content area is titled "Copy #1 of Strand D - Impact on Society" and shows a timer for "14:43 left". A "Submit Quiz" button is located in the top right corner of the question area. Below the title, a list of questions is shown on the left, with question 1 selected. The question text is "Which of these actions is safe?". Four multiple-choice options are provided:

- A using the word password as your password.
- B giving your e-mail address to your friend.
- C putting your home address with your picture in a web page.
- D arranging to meet a new friend you met on the internet.

On the right side of the interface, a progress bar indicates "0/18 questions completed" and a 30-minute timer. Below this, the "Assigned By" section identifies Karen Gerrard as the teacher. The "Instructions" section states: "Answer each question to the left. When you have answered all of the questions, click the 'Submit Quiz!' button above."
